# MOTORCYCLE RACES FOR NORTHWEST KANSAS

Kent & Strohwig, of Norton, who were active in the promotion of motorcycle race meets in Kansas last year, have conceived a unique idea for a series of meets to extend over the week of May 24.

These meets will be held beginning at Goodland, Monday, for two days; Norton, Wednesday and Thursday, and Smith Center, Friday and Saturday.

The promoters are offering purses to the amount of $1,000, which will assure the attendance of every racing man in the state. The tracks at these places are among the best in the state, and are reported in excellent condition for speed.

They are staging a 100-mile event at each of the above meets, and some fierce competition is expected. At a meet put on by these promoters at Norton last fall, Ray Weishaar broke world's record for single cylinder stock machines on half-mile tracks for the 100-mile event.
